

The Anchor Advisor

March 2024 | Vol 6, Issue 3

AnchorGateway

Did you know that we released a new on-demand address standardization and validation portal that is included within our Anchor products?

You can easily access multiple addressing systems at the press of a button. Paying only for what you need and no subscription or licensing fees. Select from the following:

- NCOALink® 48-Month
- MaxCOA (a proprietary change of address system)
- AAE (a proprietary address enhancement solution)
- DSF2®
- Deceased Processing

Call us today at 1-800-237-1921 and speak with an Account Executive to learn more about the AnchorGateway. Or you can visit our website at:

www.AnchorComputerSoftware.com

Technical Support

Save Manatees Stamp

The USPS® is spreading awareness for the need to protect a beloved marine mammal with the new Save Manatees stamp. This stamp features an illustration by Nancy Stahl, showing gray-green West Indian manatees placidly lolling underwater near the surface.

Automating Excellence: The Power of APIs in Streamlining Task Workflows

In the world of direct mail marketing, staying ahead requires more than just creativity and a strong message. Successful direct mail marketing demands efficiency, precision, and the ability to connect with customers in a meaningful way. This is where Application Programming Interfaces (APIs) come into play, offering a transformative solution that streamlines workflows, enhances marketing efforts, and delivers exceptional results.
